

2026 tariff suspensions on certain agricultural products

Published by AGRINFO on 20 Jul 2026

Council Regulation (EU) [2026/1463](#) on certain agricultural and industrial products

What is changing and why?

The European Union (EU) has removed import duties on refined microbial oil to support the needs of the European food industry, as this product is currently in short supply.

Timeline

The Regulation applies from **1 July 2026**. The European Commission will review the tariff suspension for microbial oil by 31 December 2026.
