Council Decision (EU) 2025/2229 on the conclusion, on behalf of the Union, of the Protocol on the implementation of the Fisheries Partnership Agreement between the Republic of Côte d'Ivoire and the European Community (2025-2029)

What is changing and why?

The European Commission has approved the new Implementing Protocol (2025–2029) to the Fisheries Partnership Agreement between the European Union (EU) and Côte d'Ivoire.

The new Protocol will provide fishing opportunities for 32 tuna fishing vessels from France, Portugal, and Spain, and the EU will provide Côte d'Ivoire a yearly financial contribution of €740,000 for access to the country's fishing waters and to support its sectoral fisheries policy.

Timeline

The new Protocol took effect on **27 October 2025**.
