What is changing and why?

The European Commission has negotiated a new Implementing Protocol (2025–2029) to the Fisheries Partnership Agreement between the EU and Côte d'Ivoire.

The new Protocol will provide fishing opportunities for 32 tuna fishing vessels from France, Portugal, and Spain, and the EU will provide Côte d'Ivoire a yearly financial contribution of €740,000 for access to the country's fishing waters and to support its sectoral fisheries policy.

Timeline

The new Protocol will cover a period of 4 years from the date of signature.
