Actions

Non-EU countries producing feed additives, compound feed and feed materials for export to the EU are recommended to check the status of the feed additives in the [EU Feed Additives](#) register.

To be able to filter and to see more information, it is advised to download the register in Excel format (see foot of [Food and Feed Information Portal webpage](#)).

Timeline

These Regulations enter into force on 28 September 2023 and remain valid until 28 September 2033.
