

Fruits and vegetables: standard import values and additional import duties

Published by AGRINFO on 22 May 2025; Revised 24 Jun 2025

Draft Commission Implementing Regulation amending Implementing Regulation (EU) 2017/892 as regards certain procedures, the calculation of standard import values and additional import duties

Draft Annex

[Downloads]

What is changing and why?

The European Commission proposes to update the procedures for setting standard import values that are used to set entry prices for 15 fruits and vegetables during certain periods of the year. It proposes to set these import values on a weekly rather than a daily basis, and to clarify the conditions under which additional import duties (tariffs) can be applied.

Actions

Feedback on this proposal through the European Commission's Have Your Say webpage closed on 11 June 2025.

Timeline

The Commission intends to adopt the revised rules in the fourth quarter of 2025.
