# Husked rice import tariffs

*Published by AGRINFO on 10 Sep 2024; Revised 07 Sep 2026*

Commission Implementing Regulation (EU) 2026/2029 fixing the import duties applicable to certain types of husked rice from 7 September 2026

## What is changing and why?

From 7 September 2026, the European Union (EU) import tariff for husked (brown) rice, excluding husked basmati rice, is €42.50 per tonne. The tariff was previously €30.00 per tonne.

Husked rice import tariffs are set in September based on imports in the previous 12 months. This tariff does not apply to husked basmati rice – for specific eligible varieties of basmati – for which the import tariff is always zero.

## Timeline

The revised import tariff applies from **7 September 2026**.
