

Protein hydrolysates in infant and follow-on formula

Published by AGRINFO on 23 Oct 2024

Commission Delegated Regulation (EU) [2024/2684](#) as regards the protein-related requirements for infant and follow-on formula manufactured from protein hydrolysates

What is changing and why?

The European Commission has approved a specific protein hydrolysate derived from whey protein for use in infant formula and follow-on formula, following an evaluation by the European Food Safety Authority.

Timeline

The Regulation applies from **11 October 2024**.
