Revoked authorisation of GM maizes MON 87403 and MON 87419

Published by AGRINFO on 17 Apr 2026

Commission Implementing Decision (EU) 2026/738 revoking the authorisation for the placing on the market of products containing, consisting of or produced from genetically modified maize MON 87403

Commission Implementing Decision (EU) 2026/739 revoking the authorisation for the placing on the market of products containing, consisting of or produced from genetically modified maize MON 87419

What is changing and why?

The European Union (EU) has revoked the authorisations allowing products containing, consisting of, or produced from genetically modified maizes MON 87403 and MON 87419 to be placed on the EU market. This was done at the request of the authorisation holder.

Timeline

The revocation applies from **27 March 2026**.
