Tariff quotas: shrimps and food preparations

Published by AGRINFO on 17 Jan 2024

Regulation (EU) 2023/2908 as regards the volumes of food preparations, processed shrimp of the species *Pandalus borealis* and certain plywood of coniferous species that may be imported under tariff quotas 09.0013, 09.0047, 09.0088 and 09.0096

What is changing and why?

The following quotas permitting specified imports to enter the EU at lower import duties (tariffs) have been increased:

- shrimps and prawns of the species Pandalus borealis, shelled, boiled, and frozen but not otherwise prepared: increase in quota volume from 474 to 500 tonnes at 0% duty (CN codes 1605 21 10, 1605 21 90, 1605 29 00)
- other food preparations not elsewhere specified or included: increase in quota volume from 702 to 783 tonnes at 18% duty (CN code 2106 90 98).

Actions

A list of all available quotas can be found in the Annex to Regulation 32/2000 (click on “Current consolidated version”). It is possible to track how much of an individual quota has been used via the Commission webpage Tariff quota consultation. In this case, enter the order numbers:

- shrimps and prawns: 090047
- other food preparations: 090088.

Timeline

The new quotas came into force on 22 December 2023.
