

Welcome to Issue 6 of AGRINFO UPDATE – a regular information service keeping you up-to-date on evolving EU policies, regulations and standards that have potential impacts on agricultural value chains in low- and middle-income countries.

Find links below to our website at www.agrinfo.eu, where we give clear summaries about recent and upcoming changes, and actions that companies or authorities need to take to meet the new rules.

The most significant developments in this issue include proposed **new requirements for countries exporting honey** to the EU, and updates to **EU marketing standards**. In each case there is an opportunity to submit comments on the proposals to the WTO.

If you need more information, eligible stakeholders can contact us via the [Ask AGRINFO](#) service*.
